## About Antis Roofing & Waterproofing

Since 1989, Antis Roofing and Waterproofing has provided roofing and waterproofing services for homeowner's associations and multi-tenant housing communities in Southern California. Working with more than 1,000 Southern California multi-tenant housing communities, Antis technicians and roofing experts develop and implement custom installation and maintenance plans that help clients protect their investments and improve their communities. Our mission is to Keep Families Safe and Dry with an emphasis on supporting local non-profit organizations that focus on housing and critical social services, donating every roof for Habitat for Humanity homes built in Orange County for more than 10 years.

## Purpose Before Profit

Leaders in businesses that have an intentional focus on purpose find their perspective shifting to embrace "profit for a purpose." Charles Antis, Founder and CEO of Antis Roofing, is fueled by a desire to be not just an expert in his field of roofing and waterproofing, but to also be a leader in his community that models how to use success, resources, time and influence to change the world – in his case, one roof at a time. Antis believes that **VALUES** help companies determine if they are on the right path and fulfilling their business goals -- and make sure those within the organization are on the same page. Our behavior is then governed by values which at Antis are:

**Be Good:** *We are committed to doing the right thing by our stakeholders*

**Be Accountable:** *We recognize and value the trust our stakeholders place in us*

**Be Generous:** *We believe in "giving back" we make it better for all*

**Be A Leader:** *We strive to set the bar higher by the example we set*

**Be Passionate:** *We care deeply about who we are and what we do*

As a forward-thinking company deeply invested in employee development, Antis works to ensure that each employee is valued on both a personal and professional level. Antis encourages employees to give back to the community by providing 16 hours of paid time to volunteer and honoring employee requests to help families in need. During the pandemic...

- Antis provided 6000 square ft of unused, sanitized office space at Antis Campus to American Red Cross during the months of April, May, June, and July to host blood drives and save lives. At the start of the pandemic, blood shortage was critical, and the need was urgent. Across the nation, **19,000 blood drives** were cancelled due to Corona virus concerns, resulting in **over 9,000 uncollected blood donations** in Southern CA alone.
- Antis partnered with Wahoo's, Monster, KLOS-FM, Hint Water, Yogurtland, and many more to deliver food and treats to our frontline workers since April 2020 during the pandemic crisis. See more information here: <https://bluecusa.com/2020/06/the-california-love-drop-presented-by-wahoos-fish-taco/>
- Antis partnered with Second Harvest Food Bank of Orange County to get 2 million pounds of food to over 62,000 households in 15 weeks. Antis also had the honor of leading the Harvest Truck Brigade parade at the final Honda Center Food Distribution that recognized hundreds of truck drivers that helped deliver food to the most food insecure during the pandemic. <https://youtu.be/OhvoX-FS4Vk>

Antis serves on the boards of directors for Habitat for Humanity Orange County, Ronald McDonald House Orange County, Orange County United Way and the American Red Cross Orange County Chapter. Antis has received many awards for their corporate social responsibility, including the American Red Cross Hero Award in 2019. In 2017 and 2018 respectively, Field Supervisors Narciso Alarcon and Jesus Zermeno were awarded the prestigious Roofing Alliance MVP award from the National Roofing Contractors Association. A national leader in value-based care, MemorialCare's network includes four award-winning hospitals, including a dedicated children's hospital—MemorialCare Long Beach Medical Center; Miller Children's & Women's Hospital Long Beach; MemorialCare Orange Coast Medical Center in Fountain Valley; and MemorialCare Saddleback Medical Center in Laguna Hills.

The MemorialCare network also includes the region's largest network (more than 200 sites) of community-based, outpatient centers for primary care, specialty care, urgent care, imaging, surgery, physical therapy, and dialysis, and award-winning providers through MemorialCare Medical Group, Greater Newport Physicians, and Edinger Medical Group.

We are consistently recognized for excellence in the areas of clinical quality, performance, patient satisfaction, and leadership. Recently, MemorialCare Orange Coast Medical Center and MemorialCare Saddleback Medical Center again were voted top two Best Hospitals in the Orange County Register "Best of Orange County" where readers vote for their favorite services. MemorialCare Medical Group again placed in the Medical Group Category's top two alongside Edinger Medical Group that is located on Orange Coast Medical Center's campus and affiliated with MemorialCare Medical Foundation. Additionally, MemorialCare's President & CEO, Dr. Barry Arbuckle, was nominated for Modern Healthcare's annual list of 100 Most Influential People in Healthcare for 2020 for the strong, steadfast leadership shown to our community during these past, most challenging months of the pandemic, ensuring that our residents in Orange County and beyond have had access to safe, quality care.

MemorialCare also offers more value-based products than any other health system in Southern California. These allow us to reduce waste, avoid overdiagnosis, and ensure you and your colleagues receive the right care at a lower cost while maintaining high patient satisfaction.
